August 19, 2022

Baker Tilly Malaysia, one of Malaysia's top professional firms providing audit, tax and advisory services, announced that it will support Malaysia's up and coming professional golfing star, Genevieve Ling's, dream of reaching the LPGA Tour.

"We admire Genevieve's tenacity, positivity and dedication towards achieving her dream in the Golf arena," said Baker Tilly Malaysia's Group Managing Partner, Andrew Heng. "With so many avid golfers at Baker Tilly Malaysia, this relationship is a great match for us. It is also in line with how we value talent and continuously invest in their growth.

"More importantly, we want to be able to play a part in supporting our young athletes' success."

Genevieve Ling turned professional in 2017 and has played on the Korean LPGA, China LPGA and Taiwan LPGA. This year, she is competing on the Ladies European Tour but her ultimate dream would still be to compete on the LPGA.

"It has been an uphill challenge pursuing my passion due to the pandemic, and I am glad to have the support from Baker Tilly Malaysia," said Genevieve.

"I am confident that this partnership will bring me many steps closer to achieving my dream and to be an encouragement to fellow athletes in Malaysia."

"We wish Genevieve the very best as she journeys on and makes a name for herself and for Malaysia," said Heng
